

SELECTED STUDENTS

Teaching Activity 2

The University of Burgos, Coordinator of the Project Account4GreenEco – Sustainability Accounting Learning Platform for a Green Economy – Project nº 2022-1-ES01-KA220-HED-000089844, funded by the National Agency SEPIE (Servicio Español para la Internacionalización de la Educación) in the framework of the European programme ERASMUS+, offers **6 scholarships** for students to participate in the **Project's Teaching Activity 2 (TA2)**.

Based on the criteria indicated in the call for applications, the following students have been selected to participate in TA2.

Selected students

ID number
***0976**
***8349**
***2649**
***4126**
***3064**
***2974**

The **selected students must formally accept the reception** of the scholarship during the next **10 days after the publication** of the selection process outcome by sending an email to account4greeneco@ubu.es (**deadline: May 30, 2024**). Failing to do so will be understood that the selected student resigns.

Any waiver of a scholarship that has been previously accepted must be submitted in writing. Accepted resignations will allow the next person on the waiting list to be selected.

In the event that a student does not complete TA2 or part of it or that she/he resigns after accepting the scholarship and costs on her/his behalf have already been incurred, the University of Burgos reserves the right to claim the full or partial amount of the scholarship.

Selected students must attend a seminar on May 31, 2024, at 5.00 pm at the Faculty of Business and Economics as a preparatory event for TA2. Attendance at the seminar will count as part of the 12.5 hours of preparatory work. Selected students must register using this [link](#).
